Who have led in its grand march to greatment. This appointment was giadly accepted, for it gave him an optimist people, the bond of sympathy between those who lead and those who follow is not those who lead and those who follow is not me finish this part of my narrative by easily broken as long as the leader is true.

La GRIPPE

The next gentleman has been a life long Democrat and has stood high in the grippe requires precisely the same treatment as a severe cold. Chamberlain's councils of the party, and did much to redeem Weber county in the iste election. I take pleasure in introducing the Hor. L. R. Rhodes.

Who counteract and has stood high in the grippe requires precisely the same treatment as a severe cold. Chamberlain's council as what makes it dangerors. La grippe requires precisely the same treatment and has stood high in the late election. I take pleasure in introducing the Hor. L. R. Rhodes.

Who counteract and has stood high in the grippe requires precisely the same treatment as a severe cold. Chamberlain's council as what makes it dangerors. La grippe requires precisely the same treatment and has tool pemocrat and has

little son again. At this time Andrew was

MONEYLESS,

ELECTED TO CONGRESS

as the first Representative. Before his term had expired a vacancy occurred in the Senate from his state and he was appointed to fill it. He soon saw, however, that the sleepy dignity of the Senate was for monotonous for his integer personality. too monotonous for his intense personality, and he resigned and returned home. His and he resigned and returned home. His people, however, seemed determined that he should serve them in some capacity, and he was elected to the supreme court of the state, but here again his gentlus was too pent up and he resigned and retired to the Hermitage to live out his days in peace.

But events were transpiring that were destined to bring him from his retirement and not him results the form

and put him upon that high road to fame which his genius had decreed he should attain. In June, 1512, war was declared against Great Britain. Andrew Jackson against Great Britain. Andrew Jackson had been elected a major-general of militia, and when the president called upon Governor Blount, of Tennessee, for troops General Jackson at once tendered his services with 2,500 Tennesseams to the government. Their services were prompily accepted, and in November Governor Blount was requested to send 1,500 men to re-enforce General Wikinson at New Orleans. Preparations having been completed General Jackson pleted General Jackson

SET OUT FOR NEW ORLEANS

fantry going down the river from Nash ville in flatbeats and the cavairy through what was then a trackless forest.

Upon leaving Nashville General Jackson wrote the secretary of war at Washington as follows: "I have the pleasure to informyou that I am now at the head of 2,070 volumers, the choicest of our citizens, who unteers, the choicest of our citizens, who go at the call of their country to execute go at the call of their country to execute
the will of the government, who have no
constitutional scruples, and if the government orders, will rejoice at the opportunity
of placing the American eagle on the rampants of Mobile, Pensacola and St. Augustine, effectually banishing from the south ern coasts all British influence," Coming from some men these words night have meant but little else than the celebrated order issued upon one occasion "head-quarters in the saddle," but coming from Andrew Jackson

THEY MEANT FIGHT.

The two forces of General Jackson's army camped at Natchez, Miss., where he was commanded to hall for further orders. The contemplated necessity for this force at New Orieans did not arise, and the sec-retary of war ordered General Jackson to disband his troops. This was indeed a Of strange order. Hundreds of miles from home, with no money and no transportation, General Jackson was ordered to disband his men and leave them to do the best this Photo we solen goods are the thing for cold weather. At the of March.

Born and reared in the neighborhood of
the Hermitage, 1 am somewhat familiar
with the local traditions concerning General Jackson's character. Among the many
traditions is one to the effect that while
yet a little buy his mother had him get
upon his knees and with her hand upon his
head swear that if he lived he would
avenge against the British the cruel death
As the echoes of the loud demonstration

long as the land shall bear men worthy of the sacrifices and achievements of those who have led in its grand march to greathness and renown. In a republic, many of whose great men rise from the masses of the people, the bond of sympathy between those who lead and those who follow is not easily broken as long as the leader is true to his high trust. He but gives a tongue and a tone to the spirit, the genius, the aspirations of the people who stand behind him as the reserves of his strength and the aspiration of his power.

That the illustrious man whose memory we are assembled here to high to honor still lives in the hearts of the people who stand behind him as the reserves of his true the bung county. North Carolina, where the first declaration of independence was adopted. At 9 years of age be and his older brother were captured and put in a British prison. His brother died in prison with fever, and little Andrew came near losing his life with the same disease. Mrs. Jackson, Andrew's mother, left her home and went to Charleston, 100 miles distant, to minister to the continental trops who were languishing with disease in British prison ships. There she contracted the ship fever and died. She never saw here intended to ship prison ships. There she contracted the ship fever and died. She never saw here intended here to contracted the ship fever and died. She never saw here intended here to contracted the ship fever and died. She never saw here intended here to contracted the ship fever and died. She never saw here intended here to contracted the ship fever and died. She never saw here in three department. This appointment was ged in the nation of the people in the same disease. Mrs. Jackson, Andrew's mother, left here home and went to Charleston, 100 miles distant, to minister to the continental trops who were languishing with disease in British prison ships. There she contracted the ship fever and died. She never saw here in three department. This appointment is not the period in the state legancy of the Hon. Joh

our treasury was empty and our credit sorely crippled. Jackson, with no army save raw and inexperienced troops, had a thousand miles of coast to defend, and not a fort garrisoned on the entire line.

The situation was far from cheerful and encouraging and was generally and properly. could any situation possibly be more for- encouraging, and was generally regarded

bidding and forlorn than that which now clouded the sky of this boyf Look upon this ploture, my friends, and then thank God that you live in a country where there is no royal road to fame, but which holds out her honors to all who have the manhood and genius to grasp them.

After reading law, Andrew Jackson turned his course to the setting sun, and with a little band of emigrants settled upon the banks of the Cumberland river in Tennessee, where the great and growing city of Nashville is now located. He nessee before he had impressed himself upon the community. Ho was sent as a delegate to the constitution under which Tennessee was admitted into the union as a state—a constitution which Thomas Jefferson characterized as a model. After the state government and people with pain-ful anxiety and alarm. But there was full anxiety and alarm. But there was constituted by the full anxiety and alarm. But there was constituted in which the presence of the dangers that confronted him. That man was Andrew Jackson. How he met the responsibilities and demands of the occasion, let Mobile, Pensacola and New Orleans answer. The result was too well known ever to fade from the memory of our countrymen and especially from the recollection of Tennesseeans. The volunteer state reaped in that grand campaign to large a harvest of glory to ever allow the splendors to fade or suffer its achievements to be forgotten. Peace once more lifted her white wings upon the breeze and Andrew Jackson stepped into his destined and appointed niche in the temple of fame. In all our glorious history no page burns with brighter luster than that which records In all our glorious history no page burns with brighter luster than that which re-

cords

and the prowess of the brave men under his command who protected our soil from the invader's foot and saved the mouth of the invader's foot and saved the mouth of the Mississippi, and an empire to the Union. A grateful country cannonized him as one of her great heroes and cn-shrined him in her heart. No West Point had ever laid its anoiting hand upon his head, but a mightior than West Point had anointed him for his work, and furnished him with his credentials to immortality. I appeal to history to seem the name appeal to history to scan the name of the heroes inscribed upon her roll of honor and point to one who with the same means at his command and the same odds arrayed against him, ever accomplished more than stands to the credit of Andrew Jackson upon the pages that record his achievements."

Andrew Jackson was a surveyed by a same record his achievements.

Andrew Jackson was rewarded by grateful country by being placed

IN THE PRESIDENTIAL CHAIR, the highest pinnacle of American fame. His conduct there, as af the head of his army, was characterized by that same strength of will and fixedness of purpose.

strength of will and fixedness of purpose. The opposition he met during his first term was strong and powerful, being led by the triumvirate of Clay. Webster and Calhoun, but he was elected for a second term by a vote that simply appalled his enemies. Of 288 electorial votes he received 219.

Andrew Jackson's record as President is the property of the American people, and they are too familiar with it to need a recital at this time. One thing I simply desire to say in conclusion, Andrew Jacason was a man of the people, his faith in the people was simply perfect; he hated kings and kingdoms, emperors and empires alike. Ha believed that all just envers of covern.
